

[Birmingham Children's Hospital Virtual Meeting for the West Midlands Paediatric CF Network](#)

We hope you are keeping safe and well in this challenging time. The Birmingham Children's Hospital CF Team is pleased to share details of our first virtual parents meeting "The COVID-19 Pandemic". The CF Team will report on the current best practice and give updates on the way we are delivering CF care.

Date: Thursday 11th June 2020 Time: 5pm to 6.30 pm

At the Virtual Meeting, the CF Team will talk through the latest developments in our understanding of Coronavirus and the impact on CF care both nationally and locally, the event will have an emphasis on the role of the CF team and what you can expect for your child's CF care in the coming months including the integration of face-to-face and virtual care. The event will allow you to find out what to expect from the Birmingham Children's Hospital team and you will be able to send in questions from home.

An FAQ session will give you the chance to have your questions answered. We would like to have your questions in advance and would ask that they are of a general nature so as to maintain confidentiality.

Please send your questions to Jo Osmond by email j.osmond@nhs.net
